

WHAT DO WE DO ?

We meet for lunch on the second Wednesday of every month.

Usually we have a meal and a guest speaker.

Wives, partners and widows of former members are invited to our meetings in April, October and December.

We have a programme of additional events. These include meetings with other Probus clubs, group trips to places of interest locally or further afield and other activities such as skittles, wine tasting, bowls and theatre visits.

We make an annual donation to a charity nominated by the members

At present, membership of the Haywards Heath and District Probus Club is open only to men.

ABOUT PROBUS

Probus is an organisation for professionals when they retire. These clubs were initially started for men but a number of Ladies and Mixed clubs have more recently been set up.

The word Probus is an abbreviation of the words PROfessional and BUSiness, however membership is not restricted to these two groups. It also embraces former executives of Government and other organisations, in fact anyone who held a position of responsibility during their professional life.

Probus clubs provide an opportunity for members to attend regular meetings with like-minded people who appreciate similar interests and social standing. Probus is an organisation for active retirees who enjoy the camaraderie that belonging to this organisation brings.
